History: This message has been forwarded.

Rachel - Thank you for the revised draft. We understand that this represents the final draft of the proposed temporary order from Plaintiffs. We have several people at the County that need to review and approve this language, so it will likely be Monday before we have approval for filing. We will let you know as soon as we do.

Thanks - Grace

Grace,

After discussing the United States' proposed changes with Jay and Joe, we have jointly agreed to the following changes to the proposed order I sent last night (see attached). Please let us know the County's position, and whether we should go ahead and file this today.

Thanks,

Rachel

Thank you Rachel. Does the United States anticipate having any additional revisions or comments on the Proposed Temporary Order? If so, when may we anticipate receiving them?
